

WORKSHOP

Personal Mastery - Toward The Future Together (Points of You® and TetraMap®)

Target Group

Corporate teams
Managers

Delivery

Face to Face

Duration

6 hours or 1 Day

Synopsis

This experiential workshop combines the methodology of Points of You® and metaphorical approaches of TetraMap® tools to journey through the elements of Nature for stronger team engagement

- Earth: Understanding the Leadership Mastery
- Water: You will have personal awareness of what you value in your life.
- Air: Create action plan that will take you from the current state to the future state.
- Fire: Creating conversations of possibility for the future

Learning Outcome

1. What is your own leadership style?
 2. What are your success and challenges?
 3. What are your values?
 4. Create your own action plan
 5. Visualise that future that you want
